👤 PROFILE

- Computer Engineering student with a robust programming background and extensive project experience. Completed various programming courses, including advanced Python, and received web design training under Professor Touraj Arminpour. Instructed front-end web design at Tehran Institute of Technology and provided mentorship at the university's AI Bootcamp. Active member of the Computer Society, focusing on front-end and AI. Proficient in English , passionate about solving complex problems, dedicated to enhancing technology in challenging environments. Effective team player.

💼 PROFESSIONAL EXPERIENCE

Instructed Front-End
03/2023 – present | Tehran
At Tehran Institute of Technology

Front-End Intern
02/2023 – present | Tehran

🎓 EDUCATION

Bs student in Computer Engineering
Azad University , Karaj Branch
09/2021 – 10/2024 | karaj, Iran

Mathematic and Physic Diploma
featured public school
10/2018 – 05/2020 | karaj, Iran

🧠 SKILLS

- Html , css
- JavaScript
- Python Programming
- Jquery
- C++
- Bootstrap
- Tailwind
- Sass
- Database Sql & Mysql
- Git & Github
- Bash and Linux
- ICDL1 & ICDL2
- Algorithm and programming
- React
- Ajax

Artificial intelligence Mentor

01/2023 – 07/2023

I was working as a professor's apprentice in artificial intelligence bootcamp at Azad University , Karaj Branch

🌐 LANGUAGES

English
Safir licence
